INTRODUCTION

- An innovative education portal designed exclusively for Institutions under the purview of the AICTE.
- We're aiming to develop with a vision to empower educators, and institutions, this portal is a testament to AICTE's commitment to advancing the quality and accessibility of Education.

MOTIVATION

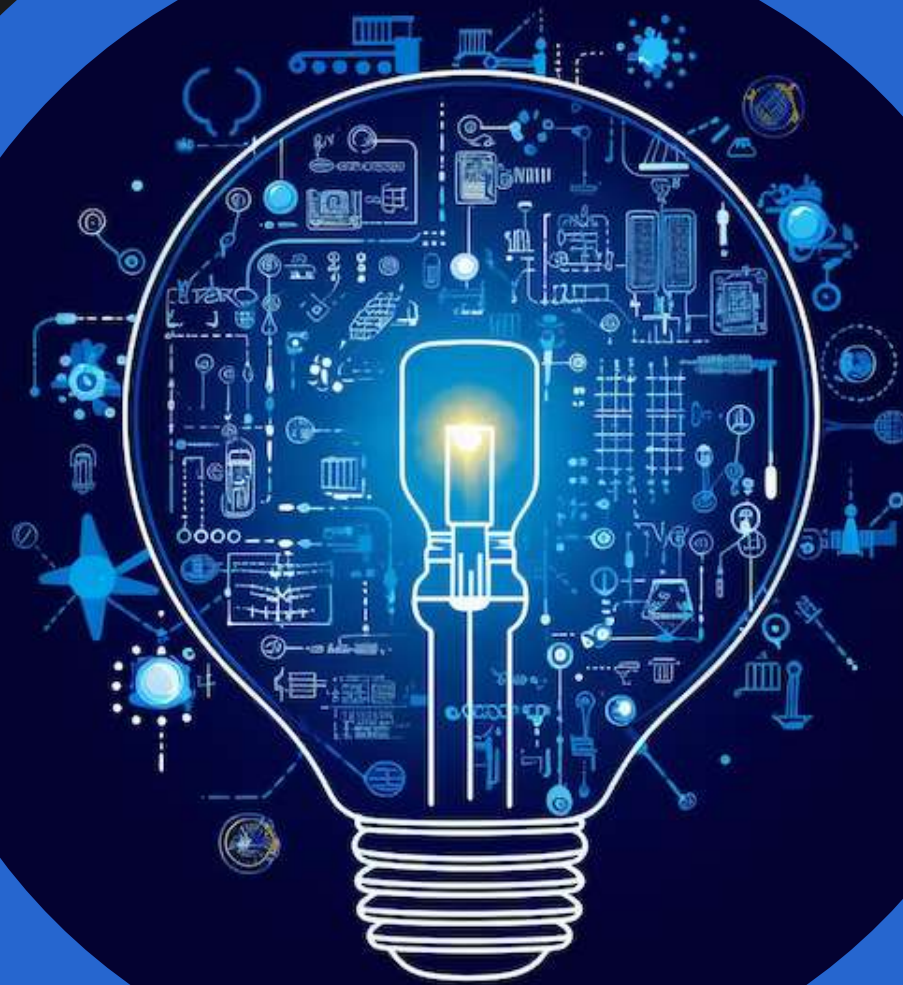

- The need for a centralized and standardized syllabus repository has been acutely felt by institutions, faculty members, and students alike.
- The existing scenario often presents challenges in curriculum design, leading to variations in educational offerings and quality across AICTE-approved institutes.

PROBLEM STATEMENT

A unified portal for developing a model curriculum for all the AICTE approved institutes.

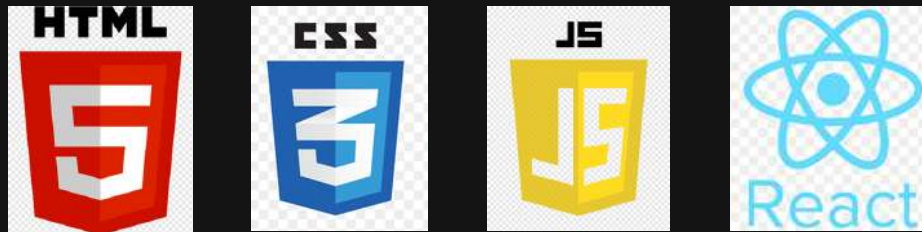

IDEA/APPROACH

- **Effortless Curriculum Development:** Our portal simplifies curriculum development. Developers choose templates, enter data, and watch it auto-populate. Editing is easy, creating complete subject syllabi.
- **Dynamic Collaboration:** Beyond syllabi storage, it's a dynamic platform for collaboration and best practices. Ensuring curricula align with industry standards and global trends.
- **Educator Support:** We provide resources, tools, and insights for engaging, current curricula that match emerging trends.
